### FIRST CLASS PIANO FORTES A. A. CLARK & SON, Amenata, Georgia.

BEG to return their sincere thanks to the citizens of Edgefield for their very liberal paronage for the last five years, and to inform them that they are still prepared to furnish PIANOS from THE VERY BEST MAKERS AT LOWER PRICES than can be got elsewhere.
Our attention has recently been called to the ad-

vertisement of a dealer who seems desirous of assuming the guardianship of the public by telling them not to buy of "pedlars or agents"—but of him! As we have had no store in Augusta for two years, and have been selling all the time in the District, we presume it is intended for us, and in this connection will give our reasons for discontinning our store there. They are these:

1st. We are at no expense, having no store rent, clerk hire, nor heavy board to pay, and can therefore sell lower than any other house.

2ndly. We can sell more by it. And there is where the shoe pinches. In the last five years we have sold more Pianos in this District than all other houses in Augusta and Charleston, and we are showing t willing that our claims to public patronage should purchase. be decided by any one that we have sold. Can the proprietor of the "Emporium" say as much? We sell no Pianos that can be bought back in a year or so at half price!
We give our own and the maker's written guar-

antee that the Pianos are perfect in every respect, and are ready at any time to come up to them. We see every Piano put up at home and attend to them a year free of charge. the Goods offe In conclusion, we would say that we are still and Augusta.

AYER'S CHERRY PECTORAL, Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855. BRIMFIELD, MASS., 20th Dec., 1855.
DR. J. C. ATER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza. and the concomitant symptoms of a Cold, is your CHERRY PROTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Seq., of Urlca, N. Y., writes: "I have used your Itectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest discusses of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTERTY, I.A., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally trief your Peteral by the advice of our clergyman. The first does relieved the soreness in my throat and lunga; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Stn: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant. A. A. RAMSEY, M. D., Almion, Morrios Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectural for giving ease and relief to consumptive patients, or curing such as are curable."

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no ald we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
OILANDO SHELBY, or SHELDYVILE. Chramptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.— Philadelphia Ledger.

Aver's Cathartic Pills. THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs excellence the ordinary medicines, and that they win un-precedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their ponetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disor-dered organs into their natural action, and impart fealthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantisted by men of such exalted position and character us to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, white others

have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my offlicted, suffering fellow-men. THE LIVER INVIGARATOR. PREPARED BY DR. SANFORD. PREPARED BY DR. SANFORD.

We take infinite pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Bilious type. It operates with certainty, and thousandsare willing to testify to its wonderful virtues.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so highly recommend as DR. SANFORD'S INVIGORATOR, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given to the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—Huston County Democrat.
